

Morphology

Word Building

Two More Activities

With Roots

- Directions:**
- 1) Write the prefixes, roots, and suffixes on the board in the format shown on the first page.**
 - 2) Give students the second sheet with 13 lines**
 - 3) Teacher says meanings and the students write the word on the second sheet.**
 - 4) Give the third sheet and students write as many words as they can from the roots, prefixes, and suffixes.**
