

THE MANY JOBS OF

- 1 In a VCE syllable, **Silent E** makes the first vowel long.
fine rope cake
- 2 English words don't end in v, j, q and rarely u or i. **Silent E** is used on these words.
have give carve pie clue
- 3 In a C+LE syllable, **Silent E** adds the schwa vowel sound since every syllable needs a vowel.
bubble candle maple
- 4 A **Silent E** following a c or g will make them use their "soft" sounds of /s/ and /j/.
chance charge
- 5 A **Silent E** can add length to tiny words or can clarify the meaning of similar words.
pie awe bye (not by) ore (not or) clothe (not cloth)
- 6 A **Silent E** following a single **s** can show that the word is not plural. **SS** is used after a short vowel such as fuss, kiss, mess: otherwise use **se**.
dense (not dens) tease (not teas) praise (not prays)
- 7 A **Silent E** is used after a single **z** in the same way it would be for single **s**. **ZZ** is used after a short vowel such as fuzz, jazz, buzz: otherwise use **ze**.
freeze bronze
- 8 A **Silent E** makes **th** say it's voiced sound.
bathe breathe clothe
