

Primary Lesson Plan

Date: _____

Handwriting:

Review letter formations: air writing, tracing patterns, trifold, midlined paper

Visual Drill

Sounds: Card Deck

Show phonogram. Students say letter name, keyword, and sound as they trace in the air or on the table or on sand tray.

Word Reading/Blending

Teacher selects words for reading. Put word on pocket chart/board. Student looks at first letter and says letter, keyword, and sound. Class repeat. Does the same for second letter and third letter. Blends the word and class repeats. Gradually, drop letter and keyword - students say sounds and blends.

***Blend with cards on table** - three stacks - consonants, vowels, consonants. Student reads words as teacher changes the vowels or the consonants (at the beginning or end).

Alternate Word Reading:

Teacher writes a set of words on the board. Teacher asks child to read the word that begins with a letter or sound or keyword. (or in the middle or end of a word). Class repeats.

Auditory Drill

Letter Recognition

Teacher selects some letters to review.
Teacher says, "Write the letter, d."
Student says the letter name, keyword, and sound as he/she writes. Teacher corrects.

**Letter/Sound:**

Optional - Keyword/letter/sound

Optional - Sounds in Words

Teacher selects some letters/sounds to review. Teacher says, "Write the letter that says /p/." Child says p, pig, /p/ as he/she writes (paper, air, sand tray).

Teacher says, "Write the letter that goes with the keyword, *nest*. Child says letter name, keyword, sound as he/she traces in the air or writes on paper or sand tray.

Teacher selects some sounds to reinforce. Teacher says, "Write the letter that is at the beginning/middle/end of a word." Child says letter/keyword/sound as he/she trace in the air or write on paper.

Auditory: Spelling**Precursor Spelling Procedure:**

Use pocket chart. Place sounds already covered - consonants in one row and vowels in separate row. Teacher says word (students repeat). Teacher asks student what sound he/she heard first. Then, asks what letter makes the sound. Child then picks sound card and place in top row as he/she says letter/keyword/sound. Class repeats. Same procedure for second and third sound. Blends word. Class repeats.

Spelling Words:

Teacher selects word for spelling. Says word and class repeats. Students finger-spells (left to right using nondominant hand) they say sound and/or letter name. Students sound as they write. Teacher checks each students work. Students read word they spelled.

A**B****C****D****E****F****Alternate Spelling**

Card deck. Teacher says word. Student places appropriate card on top row as he/she says letter and/or sound. Blends word. Class repeats. Teacher calls another student and notes that if this is “cat”, show me _____ (child has to change beginning/middle/ending letter).

Introduction of Sound

Teacher shows card and names letter. Students repeat. Teacher says keyword/sound. Students repeat. Teacher says letter/keyword/sound and class repeats. Teacher writes letter on board (models writing it as teacher verbalizes how it is formed). Students trace in air as they say they say letter name and/or sound. Move from large kinesthetic to small - trace in air, on model, tracing pattern, trifold paper, etc. Children say letter/keyword/sound as they write each time.

Learned Words (Red Words, Memory Words, Red flag Words)

New: _____

Review: _____

Intro: Word on board or card. Teacher says word and students repeat. Teacher says letter names. Students repeat. Students copy on their paper as they say letter names and word. Write three more times as they say letters and word. Close eyes/write in air as they say letter names. Quiz by covering word. Check work (letter by letter). Put word on wall. ***Review:** Show word/say word. Students write 3 x as they say letter names and word.

Dictation of Phrases/Sentences
