ALL ABOUT *Spelling*

The Floss Rule

Some exceptions:

If the final s makes the /z/ sound, don't double it:
as, is, was, has, and his

Here are some common words that *don't* follow the Floss Rule:
if, gas, yes, this, us, bus, plus, chef, and gal

If a one-syllable word

has only one vowel

and ends in f, l, or s,

double the last letter.

moss sniff kiss stuff
bill cliff fill glass
