

Lesson Plan

Date: _____

Teacher: _____

Oral Expression: Topic: _____	Procedure: Children sit in a circle and discuss the topic for the day. Focus on children speaking in complete sentences & building on syntax, grammar, and semantics.
Pre-reading skills - left to right, top/bottom, etc.: _____	Procedure: Varies with the activity
Phonological Awareness (rhyming, counting, etc.) Skill/concept: _____	Procedure: Varies according to activity. Keep the activity short.
Alphabet Recognition/Fluency: _____	Procedure: Multisensory activities
Handwriting (review): _____	Procedure: Children say letter, keyword, and sound as they write.
Card deck: _____ _____	Procedure: Teacher shows card, students say the letter, keyword and sound as they skywrite.
Words to Read: _____ _____ _____	Procedure: Have students decode words on the board or on pocket chart with cards (three card stacks). Student says first sound, second sound, puts them together, third sound, puts them all together, and say word once (or twice for fluency).
Auditory: Letter: _____ Sound: _____ Keyword: _____ Position: _____ () _____ () _____ () _____ ()	Procedure: Teacher says letter & students write letter as they letter, keyword, sound. Procedure: Teacher says sound, students write letter as they say letter, keyword, sound. Procedure: Teacher says keyword and students note sound and writes letter as they say letter, keyword and sound. Procedure: Teacher asks for the sound at the beginning, middle, or end of a word that a teacher says.

Auditory: Matching keyword/letter.	Procedure: Students match keyword pictures with letters. Memory game could also be used - place cards on the table or pocket chart and students take turn coming up with matches.
Auditory: Spelling 	Procedure: 1) Use cards and place in pocket chart. Say word, student repeats, student spells by placing the correct cards. 2) Dictate word, students repeat, students fingerspell (or use chips), they then sound as they write, and read the words spelled. 3) Lay out cards. Teacher says word, one students spells with cards as he says letter/ and/or sound. Blends word and class repeats. Teacher calls on another student and notes "if this is ____, show me ____" (teacher changes beginning/middle or ending sound to come up with new word).
New Phonogram: _____	Procedure: Show card, say letter, keyword, and sound. Write letter on board and teacher says letter/sound/ keyword as he writes in the air. Students repeat and skywrite. Move from large kinesthetics to smaller - skywriting, tracing patterns, trifolds, etc. Students say letter/ keyword and sound as they write.
New Learned Word: _____ Review Learned Word: _____	Procedure: Write on board/card. Teacher says word and students repeat. Teacher says letter names and students repeat. They copy word as they say letter names. Writes three more times as they say letters. Close eyes and writes in air as they say letter names. Quiz. Checks letter by letter. Put word on word wall. Procedure: Show word, students say word; spells three times as they say letters.
Dictation of phrase/sentences 	Procedure: Teacher dictates phrase/ sentence, students repeat and write. Reads sentence they spelled: teacher corrects
ORAL READING OF DECODABLE TEXTS	
LISTENING COMPREHENSION - teacher reads story and asks questions/discuss vocabulary words
