

## **OG Bingo**

### **Directions: Give Bingo sheets to students**

1. Dictate sounds to the students, they repeat and sound as they write. After they fill up their sheets, teacher then plays the game with the students (teacher says sound, students repeat, and find the sound and place an "x").

or

2. Dictate words to students, they repeat, they fingerspell, they sound as they write, and then they read the word they spelled. After completing the bingo sheet, teacher plays the game.

or

3. Dictate sounds and/or words (teacher notes ahead of time whether it will be a sound or word). Students repeats and writes. After the sheet is completed, they play the game.

or

4. Teacher dictates learned word. Students repeat and spells (says letter names as they write). After completing the bingo sheet, teacher plays game.

or

5. Teacher dictates sounds, spelling words, and/or learned words, students repeat and write. Teacher notes ahead of time if it is a sound, spelling word or a learned word. After completing the bingo sheet, teacher plays game.
