

**Short Vowels
(Palindromes)**

Read the following words:

van	cub	pup	wig	wed	dad
rob	bib	hex	cop	tip	sub
tap	mom	gag	map	dud	peg
nun	jig	did	pop	mum	sit
sis	fox	pep	box	bob	bog

What is the pattern in the following words?

pup	bib	dud	gag	bob	did
-----	-----	-----	-----	-----	-----

Answer: _____

Yes, you can read/spell each word forward and backward. These words are called palindromes. Can you find other palindromes in the above word list?

Can you think of other palindromes?

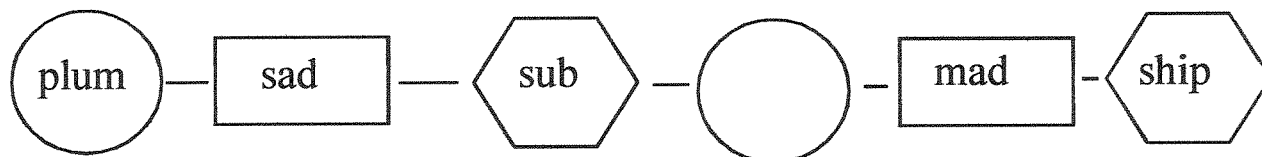

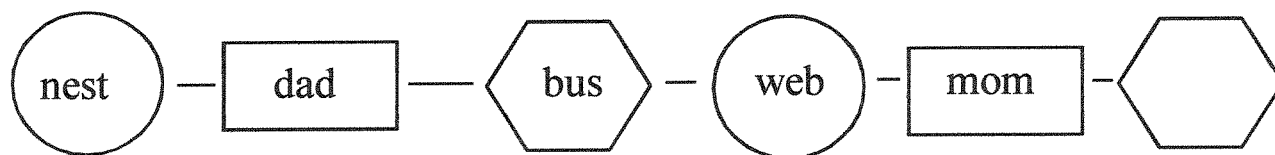

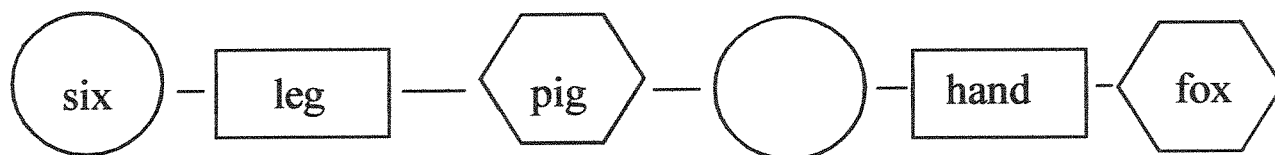

There are also number palindromes (numbers that can be read forward and backward). Examples: 11, 22, 101, etc. Can you think of other number palindromes?

Read the following words:

pig	ten	dad	sad	ship	nest
van	fox	plum	fig	mom	hand
leg	bus	six	mad	sub	web

Fill in the blanks with the above words to complete the pattern:

Short Vowels Patterns

Read the following words:

pig

ten

dad

sad

ship

nest

van

fox

plum

fig

mom

hand

leg

bus

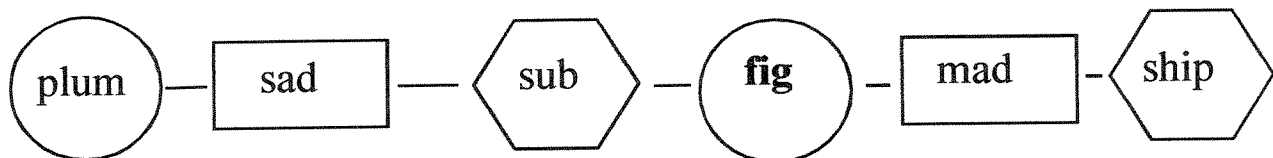

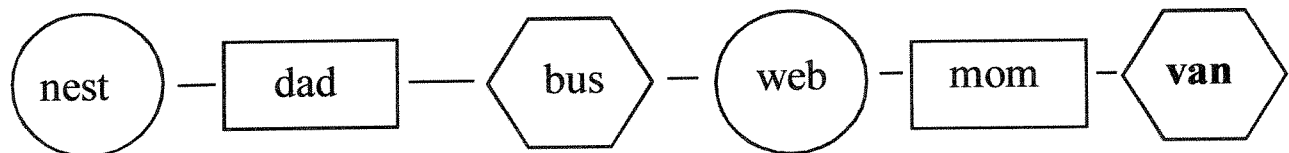

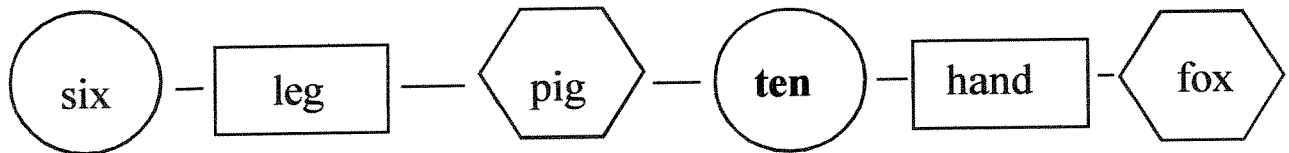

six

mad

sub

web

Fill in the blanks with the above words to complete the pattern:

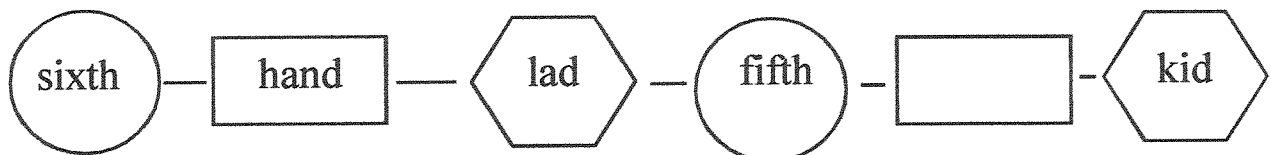

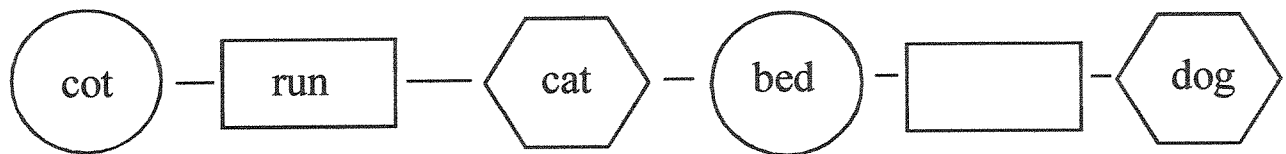

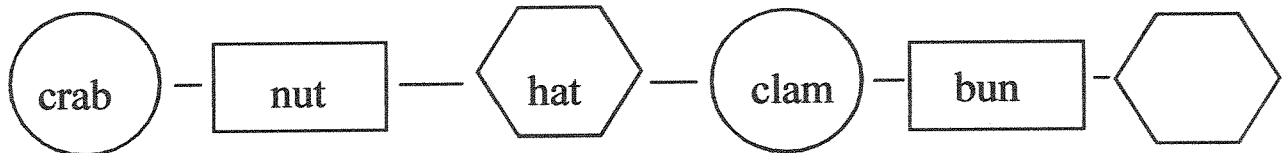

Short Vowels Patterns

Read the following words:

crab	cot	sixth	cap	dog	kid
bun	jog	chest	clam	bed	fifth
nut	run	hand	hat	cat	lad

Fill in the blanks with the above words to complete the pattern:

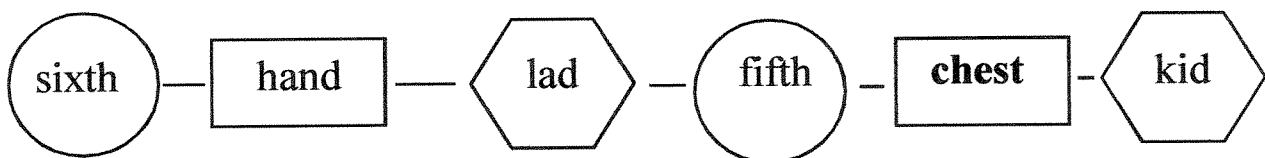

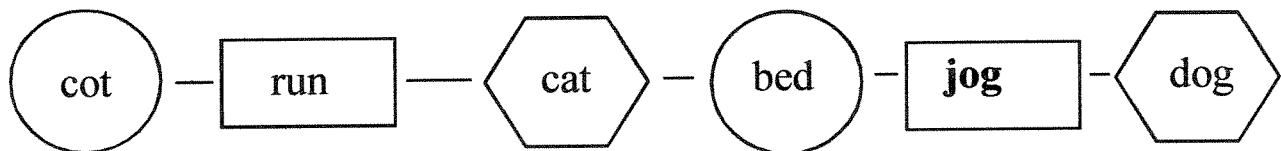

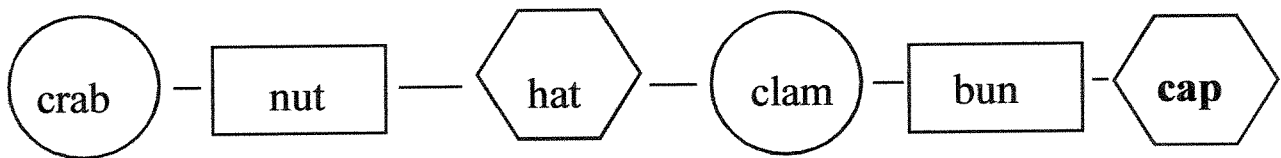

Short Vowels Patterns

Read the following words:

crab	cot	sixth	cap	dog	kid
bun	jog	chest	clam	bed	fifth
nut	run	hand	hat	cat	lad

Fill in the blanks with the above words to complete the pattern:

Short Vowels Patterns

Read the following words:

runs swims finch frog jumps cod
man fox den slept sat cot
napped hut bench dog nest bed

Fill in the blanks with the above words to complete the pattern.

frog | jumps — cod | swims —

finch | nest — — fox | den

sat | bench — slept | cot —

fox — — slept — finch —

Short Vowels Patterns

Read the following words:

runs swims finch frog jumps cod
man fox den slept sat cot
napped hut bench dog nest bed

Fill in the blanks with the above words to complete the pattern.

frog | jumps — cod | swims — **dog | runs**

finch | nest — **man | hut** — fox | den

fox — den — slept — finch — nest

Short Vowels Onomatopoeia Words

Read the following words:

stamp	slum	stump	twist	blend	crept
hiss	crash	plant	slant	squish	frond
snap	blunt	buzz	crash	slot	smelt

Onomatopoeia are words that were formed by the imitation of the sound that the thing makes or that is associated with it. Example: bowwow, meow. Match the definitions with the onomatopoeia words from above.

1. Snake makes this sound

2. When you walk in mud

3. Sound made by a bee

**4. Sound made by children playing
in the pool**

**5. Sound made by a car hitting
another car or a wall**

**6. Sound made by a rubber band
when you pull it and then
let it go**
