

Syllabication: Extension (2011)

Directions:

- 1) After teacher has taught a pattern and students have been practicing the steps for three or four lessons, the teacher may drop steps - underline the vowels, divide, and pronounce.**
- 2) The teacher may then use these worksheets which are arranged by Scope and Sequence.**
- 3) In these worksheets, the teacher will have the students divide the word and pronounce. After decoding the words on these sheets, the teacher will complete extension (vocabulary, parts of speech, categorizing, or analogies) questions that are listed on the bottom half of the sheet. Teacher may read these questions and student answer or follow the directions OR the students may complete the bottom half for homework or as an in-class assignment.**
- 4) The teacher will notice that the worksheets cycle to previous patterns taught to provide additional practice.**
